Weekend Outings

We propose these weekend outings during the summer. They will not have a designated leader or meeting point but are a sort of 'Do-it-Yourself' exercise. You are sure to meet up with fellow members at these venues. If you plan to go and are willing to offer lifts to other members or if you wish to go but do not have transport please contact Chris Parker (01287 634102) who will try to act as co-ordinator. This may not be possible but we will try.
