Other Outings

We propose these, mostly weekend, outings during the summer. They will not have a designated leader or meeting point, unless stated, but are a 'Do-it-Yourself' exercise. You are sure to meet up with fellow members at these venues. If you plan to go and are willing to offer lifts to other members or if you wish to go but do not have transport please contact Chris Parker (01287 634102) who will try to act as co-ordinator. This may not be possible but we will try. There are also events on the 'Photography Events of Interest' stream on the SPS website Forum for each month.
